Correction to: Journal of Religion and Health (2021)

<https://doi.org/10.1007/s10943-020-01156-8>

In the original publication of the article, the author noticed an error in abstract section. The first sentence in abstract should read, “Addressing a relative lack of research investigating the experiences of individuals who have left the Jehovah’s Witnesses (JW), this research utilizes a social identity approach to examine qualitatively, the process of transitioning towards post-JW life, experiences of ostracism and perceived threats to self-identity”.

The original article has been corrected.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10943-020-01156-8>.
