Correction to: Journal of Religion and Health

<https://doi.org/10.1007/s10943-021-01411-6>

In the original publication of this article, there were some errors in the subscripts of some of the formulas. The text in the original publication was as follows:

Between-country: $\beta_{0j} = \gamma_{00} + \mu_{0j}$ (Intercept).
 $\beta_{1j} = \gamma_{10} + \mu_{1j}$ (Belief in God).
(same for other predictors).
 $\beta_{6j} = \gamma_{50} + \mu_{6j}$ (Left–Right orientation).

The corrected text is below.

Between-country: $\beta_{0j} = \gamma_{00} + \mu_{0j}$ (Intercept)
 $\beta_{1j} = \gamma_{10} + \mu_{1j}$ (Belief in God)
(same for other predictors)
 $\beta_{6j} = \gamma_{60} + \mu_{6j}$ (Left-Right orientation)

The original article has been corrected.
