The experimental work, particularly the SEM study, presented in “Magnetic properties of electroformed Ni and Ni-Fe for Micromagnetic MEMS Applications” published in the Journal of Superconductivity and Novel Magnetism, 28:3357–3363 (2015) was performed at the CSIR-CEERI Laboratory, Pilani, India. The authors would like to acknowledge MEMS and Microsensors Group, CSIR-CEERI, Pilani, India, for providing SEM facility.
