The article Magnetism and Conductivity Along Structural Domain Walls of SrTiO₃, written by Yiftach Frenkel, Yanwu Xie, Harold Y. Hwang and Beena Kalisky, was originally published electronically on the publisher's internet portal on 16 November 2019 without open access. With the author(s)' decision to opt for Open Choice the copyright of the article changed on December 2019 to © The Author(s) 2020 and the article is forthwith distributed under a Creative Commons Attribution 4.0 International License (<https://creativecommons.org/licenses/by/4.0/>), which permits use, sharing, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license, and indicate if changes were made.

The original article has been corrected.
