The original version of the article unfortunately contained mistakes. The reference citation "Pilz & Bergamo (2021)" has been replaced with "Socco and Strobbia (2004)".

The bibliographic information:

Pilz M, Bergamo P (2021) Wavefield transforms and wavefield decomposition accounting for multi-modal contributions. *J Seismol* this issue was also updated to:

Socco, L. V., & Strobbia, C. (2004). Surface-wave method for near-surface characterization: A tutorial. *Near surface geophysics*, 2(4), 165-185.

The original article has been corrected.
