In the original publication of the article, there are errors in this document that pertain to a species that is reported as $\text{Zr}_2(\text{OH})_2^{2+}$. There is no such species; in each instance this species should have been reported as $\text{Zr}(\text{OH})_2^{2+}$. Specifically this erroneous species, $\text{Zr}_2(\text{OH})_2^{2+}$, appears once in the heading of Sect. 5.2 on p. 873 and at nine different places including Eq. 7 in Sect. 5.2 on pp. 873 and 874, once in Sect. 5.6 on p. 880, once in the third equation of Table 7 on p. 881, and twice in Sect. 5.6 on p. 883. Wherever it occurs in the document it should be replaced with $\text{Zr}(\text{OH})_2^{2+}$.

The original article can be found online at <https://doi.org/10.1007/s10953-018-0766-4>.
