Erratum to: J Sci Educ Technol (2014) 23:827–839 DOI 10.1007/s10956-014-9515-7

In the original publication, there are five typos in numerical representation within this paper. Therefore, the authors would like to make the following changes:

1. On page 830, the corrected sentence should be: “After the detailed search, a total of 12 papers were found to meet the criteria needed for this review.”
2. On page 831: the following are the corrected sentences,
 - i. “Figure 5 shows the distribution of LT used in the 12 studies.”
 - ii. “Three of the 12 studies were related to LT, while only 5 studies discussed the implications for EScP instructors.”
 - iii. Figure 3, “Target papers: 12 studies.”
 - iv. The last sentence: software (14 %, 1 study).

The authors sincerely apologize to readers for the typo errors.
