**Erratum to: J Sol-Gel Sci Technol**  
**DOI 10.1007/s10971-014-3435-0**

In the original publication, the article title was inadvertently published with an error.

The formula of Tantalum Carbide is TaC but in the published title, it reads Tac. The correct title should be:

“Sol–gel synthesis and characterization of SiO<sub>2</sub>–TaC nanocomposites with controlled volume fraction”.

The error in article title has been corrected with this erratum.
