Correction to: Dispersion and thermal conductivity of TiO₂/water nanofluid

Effects of ultrasonication, agitation and temperature

Correction to:
Journal of Thermal Analysis and Calorimetry
(2020) 140:109–114
<https://doi.org/10.1007/s10973-019-08817-1>

The acknowledgement of our previously published article titled “Dispersion and thermal conductivity of TiO₂/water nanofluid-Effects of ultrasonication, agitation and temperature” in the April 2020 issue (volume 140, pp. 109–114) of the Journal of Thermal Analysis and Calorimetry (<https://doi.org/10.1007/s10973-019-08817-1>) was not published properly.

The acknowledgment of the above referenced article is hereby additionally published as follows:

Authors also acknowledge the support of Centro de Química Estrutural at the Faculdade de Ciências (CQE@Ciências) of the Universidade de Lisboa (i.e., past affiliation of the corresponding author) in performing this work.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10973-019-08817-1>.
