Correction to:
International Journal of Peptide Research and Therapeutics
<https://doi.org/10.1007/s10989-021-10231-x>

The original version of this article unfortunately contained incorrect page numbers and DOI in reference Pisarenko et al. (2021).

The correct reference should read as:

Pisarenko O, Studneva I, Serebryakova L et al. (2021) Antioxidant properties of galanin and its N-terminal fragments in in vitro and in vivo oxidative stress modeling. *Biochemistry (Moscow)* 86(4):496–505. <https://doi.org/10.1134/S0006297921040106>

Also, its corresponding in-text citation should be Pisarenko et al. (2021) instead of Pisarenko (2021).
The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10989-021-10231-x>.
