Correction to: Maternal and Child Health Journal
<https://doi.org/10.1007/s10995-018-2555-5>

The original version of this article unfortunately contained a mistake in the funding statement. It should read “Sydney School of Public Health at the University of Sydney provided partial support for the data collection. The donor had no role in study design and interpretation of the data.”

The original article can be found online at <https://doi.org/10.1007/s10995-018-2555-5>.
