The original version of this article unfortunately contains error in Acknowledgements section and copyright holder name.

The part of information is missed to include in this section. The complete Acknowledgements section is given below:

Acknowledgements:

The authors would like to thank the Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (CAPES) for supporting the postgraduate program. Also, we thank the FAPEAM Founding Agency for the scholarship support for the author C.S.T (Resolution n°. 002/2016 - POSGRAD 2017). MH is supported in part by the National Institute for Health and Care Research Applied Research Collaboration Northwest London. The views expressed in this publication are those of the author(s) and not necessarily those of the National Institute for Health Research or the Department of Health and Social Care. Lastly, we thank Dr. Jaidson N. Becker for his support in the geoprocessing process. The

funder had no role in the study design, data collection, and analysis, decision to publish, or preparation of the manuscript. Opinions, assumptions and conclusions or recommendations expressed in this article are the responsibility of the authors and do not necessarily reflect the viewpoint of FAPEAM. We are especially grateful to the Tabatinga Health Secretary and the professional health team from the maternity hospital for all support during the fieldwork.

Also, the copyright holder for this article was incorrectly given as ‘Springer Science+Business Media, LLC, part of Springer Nature’ but should have been ‘The Author(s), under exclusive licence to Springer Science+Business Media, LLC, part of Springer Nature’.

The original article has been corrected.
