Correction to:
Letters in Mathematical Physics (2022) 112:102
<https://doi.org/10.1007/s11005-022-01594-3>

There are a couple of incorrect powers in one of the results. The second term in the asymptotic formula of Theorem 3.6 is $-\beta^2 \frac{\pi^4}{d^6} \langle f \rangle^2$, as there is no misprint in Theorem 6.5 of Ref. [19] in the power of $\langle f \rangle$, but in the coefficient of this term. Note that there is a misprint in Theorem 6.6 of Ref. [19] and formula (4.11) in Theorem 4.14 of the paper is correct as stated.
