### Retraction Note to:

**Molecular and Cellular Biochemistry (2020) 466:129–137**  
<https://doi.org/10.1007/s11010-020-03695-w>

The Editor-in-Chief has retracted this article. After publication, it was noted that there were irregularities in Fig. 7. The authors were contacted regarding this, but they have not provided the original raw data for this study. The Editor-in-Chief has therefore lost confidence in the integrity of the

results of this study. None of the authors have responded to any correspondence from the editor/publisher about this retraction.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
