The Editors-in-Chief have retracted this article. Concerns were raised that Fig. 3A is previously published in articles by different authors [1–3]. Additionally, the identity of the authors could not be verified. The Editors-in-Chief therefore no longer have confidence in the results and conclusions of this article.

The authors have not responded to any correspondence from the publisher about this retraction.

arrest and inhibition of m-TOR/PI3K/AKT signalling pathway. J BUON 24:1100–1105
