Erratum to: Mitig Adapt Strateg Glob Change DOI 10.1007/s11027-010-9212-7

There was a typographical error in the Introduction section in Lines 10–11 of the original article. The sentence currently reads:

‘Currently the US is the third largest global producer and consumer of fertilizer N (8.2 and 14.5 Gg of N, respectively; FAO 2009).’

This should read:

‘Currently the US is the third largest global producer and consumer of fertilizer N (8.2 and 14.5 Gg of N, respectively; FAO 2009).’

The online version of the original article can be found under <http://dx.doi.org/10.1007/s11027-010-9212-7>.
