The authors would like to correct the following error in the publication of the original article: The appendix 1 was missing and will hereby be added. The appendix contains the four items for the Beneficence frustration scale to assess antisocial impact.

Appendix 1

Beneficence frustration scale to assess antisocial impact

1. I fear that my actions sometimes cause bad things to other people.

2. Sometimes I feel that I am making other people worse off.
3. I fear that what I do has negative consequences for other people.
4. Sometimes I feel that my impact on people around me is negative.
