The original version of this article unfortunately contained mistakes in the “author group”, “System model” and “Antenna selection method based on energy efficiency” sections. Author Jiyu Jin’s given name was incorrectly spelled as “Jinyu”.

The vectors $\mathbf{g}$ and $\mathbf{h}$ are not in bold, the superscript and subscript of element p in vector $\mathbf{P}^{(ul)} = [p_1^{(ul)}, p_2^{(ul)}, \dots, p_K^{(ul)}]^T$, $p_i^{(ul)} \geq 0$ was incorrectly presented as: $\mathbf{P}^{(ul)} = [p^{(ul)}1, p^{(ul)}2, \dots, p^{(ul)}K]^T, p^{(ul)}i \geq 0$.

While, the inline equation “ $\mathbf{k}_i = \arg \min_{l \in \{1, 2, \dots, M/2\}} \|(\mathbf{W}_i)_l\|^2$ ” under Step 1 of antenna selection method description was incorrectly presented as: $\mathbf{k}_i = \arg \min_{l \in \{1, 2, \dots, M/2\}} \|(\mathbf{W}_i)_l\|^2$.

The original article has been corrected.
