Due to an error during typesetting, the data "$\{0,\pi\}$" found under the second paragraph of Section 3.2 was incorrectly written as "$\{0,n\}$." The correct sentence should read as "Bracamonte et al. in [3, 4] show that the DCT-phase, in spite of its binary values $\{0,\pi\}$, conveys significant amounts of information about its associated image."

The online version of the original article can be found at http://dx.doi.org/10.1007/s11042-016-3942-9.
