Correction to: Multimed Tools Appl
<https://doi.org/10.1007/s11042-017-5213-9>

Equations 9 and 10 in the original publication of this article contained an error. The correct equations are presented in this correction article.

$$\begin{aligned} & \text{For } W(k_1, k_2) = 0, \\ & \begin{cases} HH'(m, n) = \frac{HH(m, n) + HH(p, q)}{2} - \frac{T}{2} \\ HH'(p, q) = \frac{HH(m, n) + HH(p, q)}{2} + \frac{T}{2} \end{cases} \end{aligned} \quad (9)$$

$$\begin{aligned} & \text{For } W(k_1, k_2) = 1, \\ & \begin{cases} HH'(m, n) = \frac{HH(m, n) + HH(p, q)}{2} + \frac{T}{2} \\ HH'(p, q) = \frac{HH(m, n) + HH(p, q)}{2} - \frac{T}{2} \end{cases} \end{aligned} \quad (10)$$

The online version of the original article can be found at <https://doi.org/10.1007/s11042-017-5213-9>.
