Retraction Note to: J Nanopart Res (2017) 19: 132
<https://doi.org/10.1007/s11051-017-3826-6>

The Editor-in-Chief has retracted this article because it significantly overlaps with a previously published conference paper by the same authors (Ko et al. 2016).

Hugh Daigle disagrees with this retraction. The other authors have not responded to correspondence regarding this retraction.
