Natural Resources Research: Acknowledgement of Reviewers for 2020

John Carranza, Editor-in-Chief, Natural Resources Research^{1,2}

*Accepted 21 January 2021
Published online: 1 March 2021*

Improving and maintaining the standard of papers in this journal depend on the selfless time and effort of the many scientists who review manuscripts. We acknowledge and thank the following individuals for reviewing manuscripts submitted to our journal during 2020; some of them have reviewed more than one manuscript.
