In this article, the two paragraphs shown below were omitted and should have preceded the penultimate paragraph ‘**a. Pathological and clinical parameters**’ in the **Materials and methods** section. Furthermore, this penultimate paragraph, and the last paragraph in the **Materials and methods** should have had the headings ‘**c. Pathological and clinical parameters**’ and ‘**d. Statistical Analysis**’, resp. (instead of ‘**a...**’ and ‘**b...**’).

Omitted paragraphs:

Homozygous deletion (HoDe) $\geq 30\%$ tumour nuclei in the homozygous deletion group; irrespective of green to orange ratio.

No-deletion $< 30\%$ tumour nuclei in the homozygous deletion group; irrespective of green to orange ratio.

The original article has been corrected.
