Correction to: Natural Hazards

<https://doi.org/10.1007/s11069-018-3392-y>

This correction stands to correct a typing error mistakenly made by the author to the numerical value for RI that is located in the text under Table 9 under Sect. 4.3. The author would like readers to know that where the value for RI shows 1.12, the value should read: 1.24. This correction note addresses this mistake and corrects the original article.

The original article can be found online at <https://doi.org/10.1007/s11069-018-3392-y>.
