Correction to: Nat Hazards (2014) 74:463–475
<https://doi.org/10.1007/s11069-014-1189-1>

The Editor-in-Chief has retracted this article [1] because validity of the content of this article cannot be verified. This article showed evidence of substantial text overlap (most notably with the articles cited [2–5]) and peer review and authorship manipulation. None of the authors responded to correspondence about this retraction.
