Correction to: Natural Hazards

<https://doi.org/10.1007/s11069-020-04131-4>

The article was published informing readers: The SFC project cost nearly one million dollars, took years to complete, and emerged from a political stalemate. This is erroneous and should instead be noted as:

The SFC project cost over ten million dollars, took years to complete, and emerged from a political stalemate (Oregon Solutions, <https://tillamookoregonsolutions.com/>). This correction stands to correct the original article.
