**Erratum to: Educ Asse Eval Acc**  
**DOI 10.1007/s11092-016-9247-8**

In the original version of this article, Table 6 entries “Class”, “School” and “Municipality” variables were incorrectly labeled under “Teacher fixed effects”. Also, in the Appendix 1, table number was missing and the column headings were misplaced. Kindly see below correct tables. The original article was corrected.
