Correction to: Pharm Res

<https://doi.org/10.1007/s11095-020-2776-3>

On the first page, third paragraph of the introduction, the second sentence should have a typographical correction to state -.

For example, cancer epithelial cells will activate the NKG2D cell surface receptor on natural killer (NK) cells of the innate immune system, and activate the $\gamma\delta$ T cells and cytotoxic CD8 T cells of the adaptive immune system (4–6).
