The authors are retracting this article (Zhang et al. 2015) because irregularities were involved in the reuse of stomatal images in Fig. 9. In details, (1) stomatal image in 0d:S-1 (A) is the same as that in 3As-1 (A); (2) 0d:As-1 (A) was reused in mock As-1 and in mock 3As-1(D); (3) 20d:S-1 (A) and 20d:S-2 (A) were reused in ABA:As-1(D) and ABA:As-2 (D), respectively.

The authors regret any inconvenience or trouble caused by the original publication and apologize sincerely to the

readers, reviewers, and editors of *Plant Molecular Biology*. All authors agree to this retraction.
