Correction to: Plant and Soil.
<https://doi.org/10.1007/s11104-019-04365-7>.

The original version of this paper unfortunately contained errors, the spelling of one Latin name in some places was published incorrectly.

The “*Epichloë gansusensis*” should be modified to “*Epichloë gansuensis*”. This has been corrected in this proof.

The online version of the original article can be found at
