Correction: Plant and Soil (2020) 454:3–34
<https://doi.org/10.1007/s11104-020-04627-9>

The original version of the article unfortunately was missing the second page of Figure 5 (k - r) showing mycorrhizal root anatomy for *Tilia americana*, *Ostrya virginiana*, *Salix nigra* and *Carpinus caroliniana*.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s11104-020-04627-9>.
