**Correction to: Plant Molecular Biology Reporter (2016) 34, 720–736**  
<https://doi.org/10.1007/s11105-015-0956-9>

Figure 3 of the original article contained an artefact affecting the CsCACS band in the pistil (Pst) of the 8-week-old plants. A corrected version of Fig. 3 provided by the first author is shown below. This does not affect the conclusions of the article.

The editor was unable to contact Anna Warzybok and Magdalena Migocka about this correction.
