In page 5, 2nd paragraph of the original online version of this article, the sentence should have been “The article “Embedding expertise for policy responses to COVID-19: comparing decision-making structures in two federal democracies” by Marleen Easton, Jaspar De Paepe, Phoebe Evans, Brian W. Head and Jennifer Yarnold, examines the role of expert committees and task forces in Belgium and Australia.”

The 1st author should be "Marleen Easton" and the spelling of the 2nd author's name has been corrected to "Jaspar De Paepe".

The original article has been corrected.
