Erratum to: J Prod Anal (2017)
DOI 10.1007/s11123-017-0507-5

The original version of this article unfortunately contained a typo in Eq. 5a in Methodology section. A plus sign has been inadvertently added in the second line of the equation. The corrected equation is given below:

This has been corrected in the original version of the article.

The online version of the original article can be found at doi:[10.1007/s11123-017-0507-5](https://doi.org/10.1007/s11123-017-0507-5).
