

Retracted Article: Association of physical fitness with health-related quality of life in Finnish young men

Arja Häkkinen · Marjo Rinne · Tommi Vasankari ·
Matti Santtila · Keijo Häkkinen · Heikki Kyröläinen

Accepted: 12 January 2010 / Published online: 10 February 2010
© Springer Science+Business Media B.V. 2010

This article has been published OnlineFirst, but is withdrawn. This action is necessary due to unfortunate errors on both sides (authors and the journal of Quality of Life Research), since this article was originally submitted for

publication to another journal and during the review process it was accidentally switched unintentionally to the journal of Quality of Life Research.
