The original version of this article contain errors. The authors would like to correct the errors as given below:

- (a) In Table 4, the word "State characteristics" should read as "State fixed-effects".
- (b) In the reference "Berkner, L., & Chavez, L. (1997). Access to postsecondary education for the 1992 high school graduates NCES 98-105). Washington, DC: UNational Center for Education Statistics, U.S. Department of Education", the word "UNational Center for Education Statistics" should read "National Center for Education Statistics".

The corrected Table 4 and reference are given below.

Reference

Berkner, L., & Chavez, L. (1997). Access to postsecondary education for the 1992 high school graduates (NCES 98-105). Washington, DC: National Center for Education Statistics, U.S. Department of Education.

The original article has been corrected.
