

XV International Conference
"Spectroscopy of Coordination Compounds"
(September 30— October 6, 2018, Tuapse)

The XV International Conference "Spectroscopy of Coordination Compounds" will be held from September 30 to October 6, 2018, in Tuapse, Russian Federation.

Organizers

N. S. Kurnakov Institute of General and Inorganic Chemistry, Russian Academy of Sciences
Kuban State University (KubSU)

Organizing Committee

Chairman	V. T. Panyushkin (KubSU, Krasnodar)
Deputy Chairman	N. N. Bukov (KubSU, Krasnodar)
Academic Secretary	V. A. Volynkin (KubSU, Krasnodar)
B. I. Kharisov	V. V. Minin
G. Jonusauskas	Academician of RAS V. I. Minkin
J. Poler	A. G. Mirochnik
Corr. Member of RAS V. P. Ananikov	I. E. Mikhailov
V. K. Bel'skii	Academician of RAS V. M. Novotortsev
V. A. Varnek	A. I. Oflidi
V. K. Voronov	O. A. Raitman
V. V. Dotsenko	N. M. Sergeev
G. A. Dushenko	A. A. Sidorov
Academician of RAS I. L. Eremenko	M. E. Sokolov
F. A. Kolokolov	V. I. Chizhik
T. V. Kostyrina	

Program Committee

G. Jonusauskas	V. V. Minin
N. N. Bukov	I. E. Mikhailov
V. A. Volynkin	V. T. Panyushkin
V. K. Voronov	O. A. Raitman
V. V. Dotsenko	N. M. Sergeev
G. A. Dushenko	M. E. Sokolov
F. A. Kolokolov	V. I. Chizhik

Subject Matter of the Conference

- NMR spectroscopy of coordination compounds
- ESR spectroscopy of coordination compounds
- Optical spectroscopy methods in coordination chemistry
- Photochemistry of coordination compounds
- Synthesis and spectral properties of complex compounds
- Spectral methods for investigation of supra and nanosystems

The Conference includes plenary lectures, oral reports, a poster session, and the workshop for young scientists "Modern Physicochemical Methods in Coordination Chemistry".
