

5th EuChemS Inorganic Chemistry Conference (EICC-5) June 24–28, 2019, Moscow

The 5th EuChemS Inorganic Chemistry Conference (EICC-5) will be held on June 24–28, 2019, Moscow.

Organizers

Russian Academy of Sciences (RAS)
Mendeleev Russian Chemical Society
N. S. Kurnakov Institute of General and Inorganic Chemistry of RAS
A. N. Nesmeyanov Institute of Organoelement Compounds of RAS
A. N. Frumkin Institute of Chemical Physics and Electrochemistry of RAS

Organizing committee

Conference Chair	Aslan Tsivadze
Vice-Chairs	Yulia Gorbunova, Vladimir Ivanov, Alexander Trifonov
Conference Secretary	Natalia Belkova

International Advisory Board

(EuChemS Inorganic Chemistry Division)

Elisabeth Bouwman	Konrad Herbst	Laszlo Nyulaszi	Sanja Grgurić Šipka
Rik Van Deun	Karl Kirchner	Luis A. Oro	Anna M. Trzeciak
Milan Drabik	Ana M. Martins	Gulaim Seisenbaeva	Michael Whittlesey
Roberto Gobetto	Dan Meyerstein	Kay Severin	Claudia Wickleder
Yulia Gorbunova			

Local Organizing Committee

Gleb Abakumov	Mikhail Egorov	Vadim Kukushkin	Viktor Ovcharenko
Valentin Ananikov	Igor Eremenko	Aleksey Kuznetsov	Valentin Sergienko
Evgeny Antipov	Vladimir Fedin	Nikolay Kuznetsov	Andrey Shevelkov
Sergei Aldoshin	Stepan Kalmykov	Aleksey Lukashin	Konstantin Solntsev
Vyacheslav Buznik	Aleksei Khokhlov	Valery Lunin	Sergei Tunik
Valery Charushin	Oskar Koifman	Aziz Muzafarov	Konstantin Zhizhin
Eugeny Goodilin	Gennady Krasnikov		

Conference Topics

The conference will be organized in parallel sessions covering broadly

- Coordination and Supramolecular Chemistry
- Catalysis and Organometallic Chemistry
- Transition Metal and Main Group Chemistry
- f-Block Chemistry
- Reaction Mechanisms
- Computational Chemistry
- Medicinal and Bioinorganic Chemistry
- Magnetochemistry
- Energy and Photochemistry
- Inorganic and Organoelement Materials

The conference program will include plenary, invited and keynote lectures, oral, flash and poster presentations.
