

X International V. V. Voevodsky Conference (VVV-2022)

X International V. V. Voevodsky Conference (VVV-2022) will be held on September 5–9, 2022, at the V. V. Voevodsky Institute of Chemical Kinetics and Combustion (Novosibirsk, Akademgorodok).

Organizers

Siberian Branch of the Russian Academy of Sciences (SB RAS)
Ministry of Science and Higher Education of the Russian Federation
V. V. Voevodsky Institute of Chemical Kinetics and Combustion, SB RAS
International Tomography Center, SB RAS
N. N. Vorozhtsov Novosibirsk Institute of Organic Chemistry, SB RAS
Novosibirsk State University
N. N. Semenov Federal Research Center for Chemical Physics
Institute of Problems of Chemical Physics, Russian Academy of Sciences
I. Ya. Postovsky Institute of Organic Synthesis, SB RAS

Organizing Committee

Chairperson	Academician R. Z. Sagdeev
Deputy Chairpersons	Professor A. A. Onishchuk
	Professor E. G. Bagryanskaya

Scientific Program

The scientific program of the Conference includes plenary lectures, oral reports, and poster sessions in the following subjects:

- Magnetic resonance spectroscopy and magnetic field effects;
- Chemical kinetics and spectroscopy;
- Quantum and theoretical chemistry;
- Molecular dynamics;
- Combustion and energetic materials;
- Chemical physics in biology and medicine;
- Organic photovoltaics.

The official language of the Conference is English.
