In the original publication of the article, the below mentioned correction was not carried out at publication process. This has been corrected with this Correction.

The paragraph beginning "The remainder of this paper...", should read as "The remainder of this paper is structured as follows. In the second section, a brief literature review is conducted, with an emphasis on presenting known determinants of research productivity. The subsequent section explains the data and methods, followed by a presentation of the results. The final section concludes the paper."

The original article has been corrected.
