ERRATA

In the No. 1 issue of the journal "Osnovaniya, Fundamenty i Mekhanika Gruntov" for 2006, the editorial office was at fault in permitting an error in the title of the paper by A. B. Fadeev et al.

The title should read: "**Deformations of buildings surrounding new structures undergoing erection in dense urban settings.**"

The editorial office extends sincere apologies to the authors for the error permitted.
