### **Erratum to: Soc Indic Res DOI 10.1007/s11205-009-9507-9**

After the article has been published Online First, the authors discovered a big typo in Fig. 2 of the paper. In fact the authors realized that an old version of the graph had been used. The authors are sorry for this trouble that makes the online version of the paper seriously “unclear” and inconsistent with the explanation in the text.

Below you will find the right figure.
