Since publishing the article in online first, the authors have discovered a typographical error in the text. The abbreviation, MSA, stands for “measure of sampling adequacy”, not “measurement system analysis” as is indicated in the article. The authors apologize to readers for any confusion this may cause.

The online version of the original article can be found under doi:[10.1007/s11205-013-0516-3](https://doi.org/10.1007/s11205-013-0516-3).
