Section 3.11 in the original publication contains a mistake. Please find here the corrected sentence.

Original publication:

By design, it won't underwrite a determinate answer to the question, 'Strictly speaking, did **tritium** dioxide molecules lie in the extension of 'water' as it was used in the 17th century?

It should be:

By design, it won't underwrite a determinate answer to the question, 'Strictly speaking, did **di-tritium** oxide molecules lie in the extension of 'water' as it was used in the 17th century?
