

The Editorial Board of the journal *Theoretical and Mathematical Physics* heartily congratulates the leading scientist in the field of theoretical and mathematical physics **Ludvig Dmitrievich Faddeev** on his jubilee. Ludvig Dmitrievich has participated actively in the work of the journal from the very founding of the journal *Theoretical and Mathematical Physics*. His paper opened the first volume of *Theoretical and Mathematical Physics*. The Editorial Board of the journal *Theoretical and Mathematical Physics* wishes Ludvig Dmitrievich new creative successes and the fulfillment of all his aspirations.
