**Retraction to: Plant Cell, Tissue and Organ Culture (PCTOC) (2015) 122:509–516**  
<https://doi.org/10.1007/s11240-015-0770-y>

The editor has retracted this article [1] because a scientific error was made in the identification of the species referred to in the study. The plant studied is not *Canscora decussata*, as stated in the manuscript, but rather *Canscora diffusa* (Vahl) R.Br. ex Roem. & Schult. Because of this unintentional error, the scientific content of the article is no longer reliable. All authors agree to this retraction.
