Due to an unfortunate turn of events, the term C57BL/6J rats was introduced in the original publication

where it should have read C57BL/6J mice. Hence, in the above-mentioned article ‘rats’ should read ‘mice’ throughout (as shown in the title above).

The online version of the original article can be found under doi:[10.1007/s11248-011-9550-6](https://doi.org/10.1007/s11248-011-9550-6).
