Erratum to: Int Urol Nephrol DOI 10.1007/s11255-011-0007-x

Unfortunately, the original version of this article published with mistakes. In the Tables 2, 3 and 4 the values of the 95% Confidence Intervals for esRAGE are incorrect. The correct versions of the tables are given below.

The online version of the original article can be found under doi:[10.1007/s11255-011-0007-x](https://doi.org/10.1007/s11255-011-0007-x).
