### Correction to: Virus Genes

<https://doi.org/10.1007/s11262-021-01864-7>

The original version of this article unfortunately contained incorrect supplementary material.

The supplementary material actually contains one figure and one table file but inadvertently the figure was repeated twice and table was missed to include in it.

The original article has been corrected.

**Supplementary Information** The online version contains supplementary material available at <https://doi.org/10.1007/s11262-021-01868-3>.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
