### **Erratum to: Water Resour Manage DOI 10.1007/s11269-010-9672-2**

In the original paper, Dave Graves was mistakenly credited as a co-author for this article.

His inclusion as a co-author is not a fault of the journal; his name was intentionally included by the primary author, Dr. Konstantinos Kostarelos.

We have corrected this as stated now.
